## Pexeso + měkké slabiky

OP VK EU Peníze školám

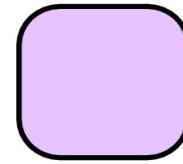

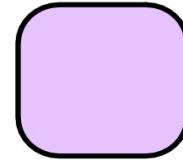

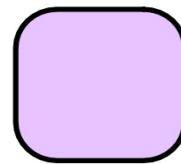

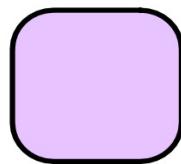

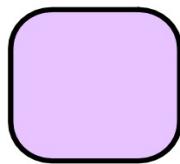

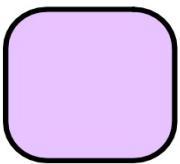

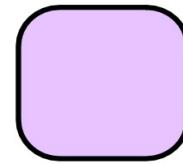

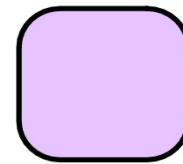

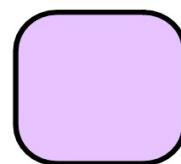

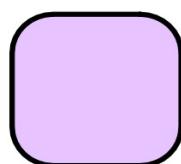

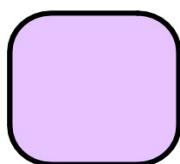

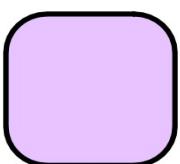

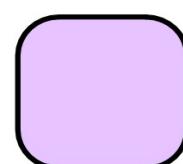

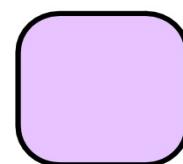

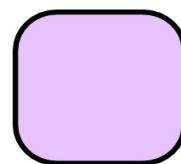

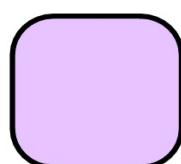

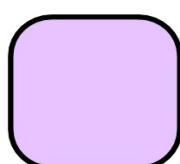

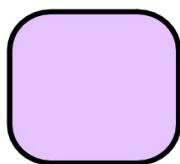

vzdělávací oblast: Využití ICT

název předváděcího sešitu:

OPVK – EU (III/2 – Čj)

(Mgr. Lucie Klevetová, český jazyk / 2. ročník, 8. pomůcka)

**1. PEXESO zaměřené na měkké slabiky. Najdi slovo a k němu obrázek:**

**2. Podtrhni stejnou barvou dvě slabiky tak, aby vznikla celá slova (slabika + měkká slabika). Vzniklá slova napiš na volné linky:**

ži                         čí                         ptá                         o                             pr  
ří                         ší                         ní                             vot                         lis  
noč                         krá                         ci                             di                             jen  
   jí                             tí
